RE: Missionary Dennis and Diana Hazelwood

Dear Pastor,

I am thrilled to introduce you to Dennis and Diana Hazelwood, and to recommend them to you as Missionaries to the Military.

Dennis and Diana have been faithful members of our church for over 15 years. During that time they have taught classes, worked in children's and music programs, completed schooling at Indiana Baptist College and Dennis served our nation and our Savior on the battlefields of Iraq.

Dennis was saved through a military ministry while stationed in Germany. Their love for Jesus and others is evident. These have led them to prepare for a ministry to reach soldiers with the gospel of Jesus Christ.

I would ask that you consider allowing them to present their ministry to your congregation and prayerfully consider them for support.

Thank you for your faithful service.

God Bless,

Pastor John D. Ray, D.D.
